REQUEST FOR AUTHORIZATION TO PRACTICE WITHOUT A LICENSE AT A REGISTERED FREE HEALTH CARE EVENT

In accordance with California Business and Professions Code Section 901 any dental hygienist licensed/certified and in good standing in another state, district, or territory in the United States may request authorization from the Dental Hygiene Committee of California (Committee) to participate in a free health care event offered by a sponsoring entity, registered with the Committee pursuant to Section 901, for a period not to exceed ten (10) days. The Committee may deny requests for authorization received less than twenty (20) calendar days before the date on which the sponsored event will begin.

Note: If you are submitting fingerprint cards to the Committee (“Ink on Cards”) along with your application, the Committee recommends that you submit your completed application package to the Committee at least 60 days prior to the scheduled event to assist in the timely processing of your fingerprint submissions through the California Department of Justice and Federal Bureau of Investigation.

PART 1 - APPLICATION INSTRUCTIONS

An application must be complete and must be accompanied by all of the following:

- A processing fee of $55.00, made payable to the Dental Hygiene Committee of California. If submitting fingerprint cards instead of using Live Scan, please submit an additional $51 fee, payable to the Dental Hygiene Committee of California, to process your fingerprint cards for a total fee of $106.00. See additional details below.
- A copy of each current, active and valid license and/or certificate authorizing the applicant to engage in the practice of dental hygiene issued by any state, district, or territory of the United States.
- A copy of a valid photo identification of the applicant issued by one of the jurisdictions in which the applicant holds a license or certificate to practice.
- Copies of Certificates of Completion showing at least 25 units of continuing education, including current CPR within two years of the date of this application.
- Any documents or statements requested on this application.
- **Live Scan** Fingerprinting. Fingerprinting must be done through electronic Live Scan or ink on cards. Live Scan is available only in California, for either residents or visitors, and is far speedier. **You must download the Live Scan form from the DHCC website at this link** www.dhcc.ca.gov/formspubs/form_livescan_rdh.pdf **The California Department of Justice (DOJ) has the form you need** to complete.
and take to the Live Scan service location in California, and a list of the Live Scan locations where it is obtainable (see can be found at http://ag.ca.gov/fingerprints/publications/contact.php). The procedure is that you can take the completed form to the service location of your choice, pay a fee and your fingerprints are taken on a glass without ink. Your fingerprints are then transmitted electronically to the Department of Justice (DOJ), who sends the resulting report to the Committee. Usually the report is received within two days. There is a low rate of rejections with this method.

Ink on Cards. If you are not able to come to California, you may contact the Committee to obtain a copy of California “Ink on Cards” to have fingerprints made – 2 cards. Other States’ resident Ink Cards will not be accepted. Be sure to type or print legibly in black ink all the areas on both cards asking for personal information, that the cards are dated and signed by the official taking the fingerprints, and have your signature on them. Include the 2 cards in your application with a $51 non-refundable processing fee. Reports on some cards are received within a month after submission. Others may take many months due to needing to be repeated because of unreadable prints or other factors beyond the control of the Committee.

The Committee will not grant authorization until this form has been completed in its entirety, all required enclosures have been received by the Committee, and any additional information requested by the Committee has been provided by the applicant and reviewed by the Committee, and a determination has made to grant authorization.

The Committee shall process this request and notify the sponsoring entity listed in this form if the request is approved or denied within 20 calendar days of receipt. If the Committee requires additional or clarifying information, the committee will contact you directly. Written approval or denial of requests will be provided directly to the sponsoring entity and to the applicant.
