1107. Fingerprint and Disclosure Requirements for Renewal of License.

(a) As a condition of renewal for a license that expires on or after (INSERT DATE) a licensee who was initially licensed prior to January 1, 1994, or for whom an electronic record of the submission of fingerprints no longer exists, shall furnish to the Department of Justice a full set of fingerprints for the purpose of conducting a criminal history record check and to undergo a state and federal level criminal offender record information search conducted through the Department of Justice.

(1) The licensee shall pay any costs for furnishing the fingerprints and conducting the searches.

(2) As a condition of renewal, a licensee shall certify whether his or her fingerprints have been furnished to the Department of Justice in compliance with this section.

(3) This requirement is waived if the licensee is actively serving in the military outside the country.

(4) A licensee shall retain, for at least three years from the renewal date, either a receipt showing the electronic transmission his or her fingerprints to the Department of Justice or a receipt evidencing that the licensee's fingerprints were taken.

(b) As a condition of renewal, a licensee shall disclose whether, in the prior renewal cycle, he or she has been convicted of any violation of the law in this or any other state, the United States, or other country, omitting traffic infractions under \$300 not involving alcohol, dangerous drugs, or controlled substances. In addition, a licensee shall disclose any disciplinary actions against any other license he or she may hold.

(c) Failure to comply with the requirements of this section renders any renewal incomplete and the license will not be renewed until the licensee demonstrates compliance with all requirements.

(d) Failure to furnish a full set of fingerprints to the Department of Justice as required by this section on or before the date required for renewal of a license is grounds for discipline by the Board.
